

# Register for IBM cloud:

The screenshot shows the IBM Watson Studio profile settings page in a web browser. The browser's address bar displays the URL `eu-de.dataplatform.cloud.ibm.com/settings/profile?context=cpdaas`. The page header includes the IBM Watson Studio logo, a search bar, and navigation links for 'Buy', 'Sanjay Srinivasan's Acco...', and 'Frankfurt'. The user's profile is shown with the name 'Sanjay Srinivasan', email 'thesanjay.nivasan@gmail.com', and a link to 'Edit IBMid profile'. Below the profile, there are two tabs: 'Profile' (selected) and 'Git integrations'. The 'Profile' tab contains two main sections: 'Service Filters' and 'Selected Account'. The 'Service Filters' section has a heading 'Set which services you see by selecting filter options.' and a 'Filter by:' section with three dropdown menus: 'Resource Grou...', 'Locatio...' (highlighted with a red box), and 'None'. The 'Selected Account' section has a heading 'This is the IBM Cloud account that you're working in. If you belong to multiple accounts, you can switch accounts in the accounts list next to your avatar.' and a table with the following data:

Account name	Sanjay Srinivasan's Account
Account type	Trial - 379 days left
Account ID	e5015eb8cb894ca0a1488cef9caa79

At the bottom of the 'Profile' section, there is a 'Leave IBM Watson Studio' section with the text 'If you leave IBM Watson Studio, your IBM Cloud account will continue to be active.' and a link 'Learn more about the results of leaving.' Below this is a button labeled 'Leave IBM Watson Studio'.
